

Dear Colleagues,

The [Journal of Food Investigation](#) is a quarterly bilingual (English and Hungarian) scientific journal that has been published for almost 70 years. the publisher is the University of Szeged (SZTE / U-Szeged / USZ).

The **Scopus-indexed journal** is published quarterly **in English** and/or Hungarian.

Food science, food technology, food safety and nutrition are the areas of interest. The journal welcomes manuscripts presenting new results and developments, comparative studies, narrative reviews related to food science, including food microbiology, food chemistry, colloidal chemistry, food physics, food technology, food engineering, biotechnology, food economics, food marketing, and food legislation.

In particular, manuscripts in the fields of **food science, food technology, food safety and nutrition**, and are welcomed. The journal prioritises food safety and nutrition science topics, and encourages scientific publications related to.

Authors are invited to upload their manuscripts to the [Open Journal System](#) (OJS) operated by the University of Szeged ([registration](#) is required for the first time). More information on the requirements in terms of format and content are available at the [Information/Submissions](#) section of the website.

Manuscripts will be peer-reviewed by anonymous referees. If you would like to participate as a Reviewer, please tick the appropriate box when registering ([Yes, I will register as a Reviewer](#)).

You are welcome to read the latest issues:

Vol. [70.](#) / Issue 1. (2024)

Vol. [69.](#) / Issue 4. (2023)

Vol. [69.](#) / Issue 3. (2023)

If you are interested in publishing or have any questions about the journal, please do not hesitate to contact us through the [channels](#) available on the website: write to editorial@eviko.hu or contact our Technical Support (Dr. Erzsébet Illés, erzsebet.illes@mk.u-szeged.hu)!

Yours sincerely, **Prof. Dr. Diána BÁNÁTI**
Editor-in-Chief
